with copy
of enclosures.

The title of the report is "The
Government of the United States
in the Philippines, 1900-1901".
It is a report of the
Commissioner of the Bureau of
Philippine Affairs, United States
Department of the Interior.

The report is divided into
two parts. The first part
contains a general description
of the Philippines, and the
second part contains a detailed
description of the government.

The first part of the report
describes the geography, climate,
population, and resources of the
Philippines. The second part
describes the government, the
judiciary, the education, and
the public works.

The report is a valuable
source of information for
those interested in the
Philippines. It is a
comprehensive and accurate
description of the country.

The report is a valuable
source of information for
those interested in the
Philippines. It is a
